
Scholars Bible Reading Plan in Chronological Order

Reading the Bible in Chronological Order

This Bible reading plan will take you through the entire Bible in an historical linear timeline order with the first events first to the last. Each line represents a days reading, you may progress as you do your devotions in any order you would like. This list will take one year if each line is read each day. If you read more on one day and less on another, you can still track your progress.
